It pays to be a gentleman, but that is not the reason why a gentleman is a gentleman.

What is the name of the man who was recently elected vice-president of the United States? Don't all speak at once.

We hope, too, that the rebuke handed some of the Florida press gang afflicted with "Flaglerobia" by the DeLand News will be sufficient to hold them for a while.—*Mayo Free Press.*

The cement block is entirely changing the appearance of the average Florida town. This is the "cement age," and the Florida Cracker, with his usual shrewdness, is catching on without delay.

The orange growers of Fort Myers have adopted a charter, and are now raising stock, for a "central packing house." There are great possibilities in this idea, and other fruit-growing sections should investigate it.

It is estimated that 500 deer were killed in Lee county during the open season. This seems an awful slaughter. And another point occurs: what arrangements, if any, has the State made for the protection of the forests there? Are not the deer worth more than a few thousand acres of orange trees, or celery?

On Thursday next will end the reign of Teddy the terror. The world is better for the era of Rooseveltism, but it is just as well to have a change. Mr. Taft goes in with a better feeling throughout the nation than has prevailed at any time since the war. Probably 75,000,000 out of the 85,000,000 of inhabitants of the United States are convinced that Taft is an honest man and will strive to leave to posterity a memory that posterity can cherish and revere.

Attention is called this week to the article under the heading "School Confab Corner." There are some remarkable things shown in this article—things which should vitally interest every reader of THE NEWS. The article was prepared by a man well versed in school matters, and who perhaps knows more about our schools today than any other man in Volusia county. The article was written by Supt. Botts.

Miss Jessie Owens, of Sparr, was in town today. Miss Owens is the busiest woman in Marion county. The season through which she has passed she has sold 2,500 acres of the old Rutland plantation, of which there is no more productive land in the State. Most of her sales have been in 20 or 40-acre tracts to actual settlers and producers. She said she had a thousand more acres of this splendid land for sale ere she could feel she had transferred her cares to others. Miss Owens has been so busy that up to now she has not had time to visit the State fair, but will do so ere it closes next week.—*Exchange.*

The great fleet of sixteen American battleships has returned from the most spectacular, imposing and greatest journey ever made by so many battleships of one nation. The trip around the world was well planned, has caused other nations to sit up and take notice, and has caused universal good feeling toward, as well as respect for, the United States. The only thing to mar the entire trip was the misfortune of one of the commanders, who drank too much at a banquet and was deprived of the command of his ship. Roosevelt has "made good" on this occasion as well as on most others.

**ANNUAL MEETING  
 OLD SETTLERS SOCIETY**

The annual meeting of the Old Settlers Society of DeLand was held at the Aquatic Club grounds on Tuesday. There was a large attendance. The great event of the occasion was as usual the picnic dinner, served in the club house. It was fully up to the usual standard, which is the highest compliment that can be given.

At the business meeting in the afternoon John B. Wood, formerly of Kentucky, who came to DeLand in 1870, and who is now 76 years of age, was elected life-president in place of H. A. DeLand, who was life-president for many years before his death last summer; J. J. Banta, 1870, from New York State, 83 years of age, was elected first vice-president; E. W. Bond, 73 years, from Ohio, was elected second vice-president. Mr. Bond came to DeLand in 1882.

A committee on resolutions was appointed, and the following was submitted.

WHEREAS, The Angel of Death has made his presence known among our membership during the past year, touching with his loving, tender hand the venerable head of our respected president, saying, "Come with me," and,

WHEREAS, Our honored and beloved president, Henry A. DeLand, the founder of the city which bears his name, and a great benefactor to his fellow-men, known and loved by all on account of his good works, kind, true and loving heart and many charities, has departed this life, we now mourn his loss to this community, and recognize his true worth and great benefit to our town, and community, and shall always remember him with high appreciation of his true merit and worth.

Resolved, That the Old Settlers Society of DeLand, with reverence to him who doeth all things well, submits to the call to our venerable president, with resignation, believing that he has found peace, and quiet and a blessed home in that mansion in the skies to which he has been called.

Henry A. DeLand, in his life among us, met adversity and prosperity alike, with cheerfulness and resignation, recognizing the will of the omnipotent Father in all things.

Resolved, That the Old Settlers Society of DeLand extends heartfelt sympathy to his daughter, Helen DeLand, and assures her of our tender thoughts at this our annual meeting.

Resolved, That these resolutions be spread upon the minutes of this meeting, a copy be sent to Miss Helen DeLand, and a copy furnished to each of the newspapers of DeLand.

Respectfully submitted,  
 JOHN B. WOOD,  
 GEO. A. DREKA,  
 CHRIS O. CODRINGTON.

Several good addresses were made, there was fine music, an informal dance by the "young folk," and all departed about 4 o'clock after a most pleasant day.

**WOMAN'S CLUB.**

There will be a general meeting of the Woman's Club, Tuesday, March 2, at 3 o'clock. A program suitable for Reciprocity Day is planned. It is, in part, as follows: Greetings from the W. C. T. U.

Mrs. McCrory.  
 "The George Junior Republic"  
 Mrs. Fiske, of Freeville, N. Y.  
 "Experiences in the Philippines"

Mrs. Conger, of Akron, Ohio.

Vocal Solo Miss Conkling

It is hoped that Mrs. Shackelford the president of the State Federations, will be present to address the club.

The monthly meeting of the Board of Directors will take place on Monday, March 1, at the home of Mrs. Gauden, at 2:30 o'clock. Members are requested to notice the change of hour and to be prompt in attendance. From 4 to six o'clock Mrs. Gauden will be at home to all the members of the club and she hopes that a large number will welcome the opportunity to meet Mrs. Shackelford in a most informal way.

The literature department announces a story-telling hour to be held in the clubroom Saturday, February 27. All children from five to fourteen years of age are invited.

**GAULDEN-REEVE.**

On Tuesday evening, February 23, Mr. LeSeur Gauden and Grace Willoughby Reeve were united in wedlock at St. Barnabas Episcopal church.

The choir, consisting of Mrs. J. E. Bigelow, Mrs. Campbell Gray, Messrs. Cairns and Wilmshurst, were singing "The Voice that Breathed O'er Eden," accompanied by Mrs. Selden at the organ and Miss Schooley on the violin, just as the bridal party entered the door. They were met at the foot of the choir steps by Rev. Campbell Gray, where the ceremony was performed. The bride and groom then went to the altar, where concluding prayer and blessings were offered.

The bride was beautiful in a gown of white satin trimmed in real lace, with veil of handsome net, caught up with orange blossoms, and carried a real lace handkerchief, which was carried by her mother when she was married.

The maid of honor, Miss Edith Reeve, was prettily dressed in pink crepe de chine with taffeta, and pink picture hat, and carried pink carnations.

The bridesmaids were Miss Nina Miller and Miss Erwinna Gauden, sister of the groom. They were becomingly attired in white silk with silver trimmings, with white picture hats, and carried pink carnations.

The flower girl, little Catharine Winters, was very sweet in pink, and carried a basket of pink and white roses.

The crucifer was Mr. Vernon Hays. Acholytes were Masters William Hays and Noble Miller.

The ushers were Messrs. Tom Hays Charles Campbell, Tom Johnson and Godfrey Dreka.

As the bridal party were leaving the altar Mrs. Selden played the beautiful Lohengrin Wedding March.

The happy couple left immediately after the ceremony for a few days visit at Daytona Beach.

**No Man is Stronger  
 Than His Stomach**

A strong man is strong all over. No man can be strong who is suffering from weak stomach with its consequent indigestion, or from some other disease of the stomach and its associated organs, which impairs digestion and nutrition. For when the stomach is weak or diseased there is a loss of the nutrition contained in food, which is the source of all physical strength. When a man "doesn't feel just right," when he doesn't sleep well, has an uncomfortable feeling in the stomach after eating, is languid, nervous, irritable and despondent, he is losing the nutrition needed to make strength.

**Such a man should use Dr. Pierce's Golden Medical Discovery. It cures diseases of the stomach and other organs of digestion and nutrition. It enriches the blood, invigorates the liver, strengthens the kidneys, nourishes the nerves, and so GIVES HEALTH AND STRENGTH TO THE WHOLE BODY.**

You can't afford to accept a secret nostrum as a substitute for this non-alcoholic medicine of known composition, not even though the urgent dealer may thereby make a little bigger profit. Ingredients printed on wrapper.
